

EXPERIENCE THE BENEFITS OF CORPORATE MEMBERSHIP

MPSA corporate members enjoy a high-profile status in the organization and benefit from being associated with the leading-edge supporters of the association and development efforts of its members. MPSA aggressively promotes its corporate members among MPS practitioners, end-user companies and elsewhere within the MPS industry. Whether MPS is your company's primary service or an additional offering in your portfolio, tapping the intellectual capital of the cutting-edge leaders in the industry is important to you.

MPSA CORPORATE MEMBERSHIP PROVIDES TWO DISTINCT BENEFITS:

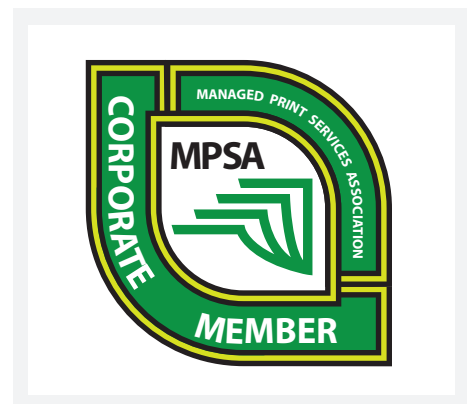

- **Visibility** as a leader in the managed print services community
- **Access** to an outstanding platform for formulating and executing your organization's business strategy.

Your corporate membership identifies you as a leading member of a community dedicated to helping organizations achieve their managed print strategies through sound strategic thinking, planning and action. Your membership also provides leadership opportunities in shaping the future of the MPSA as well as a forum for publicizing your views on issues and opportunities in the MPS industry. There are multiple levels of membership with increased visibility and employee participation that the MPSA offers for organizations:

- **Premier Platinum** \$10,000 / year
- **Platinum** \$5,000 / year
- **Gold** \$1,000 / year

Individual Memberships for Employees

When your company becomes a corporate member of MPSA it is allotted a certain number of individual members based on the level of support.
